

If your layout needs some unusual vehicles for the roads, or even as wagon loads, or simply to collect and enjoy, then you can take a look at the HERPA website: www.herpa.de

Besides their comprehensive catalogue of lorries, vans and cars, the latest catalogue for the military (and unusual vehicles) “miniTanks” has just been released - -a collector’s dream of unusual models!

Model no: 741811
Ford FK 1000 fitted with
wheels to run rails!

(non motorised!)

Model no: 742948
Unimog 2450L

Rescue truck

If you can't get the HERPA catalogue from your local dealer, then just send an e-mail with your name and postal address to

info@fleischmann.co.uk

and we will send you the catalogues **FREE OF CHARGE!**

Here's the versatile UNIMOG
in a different guise –
“ISAF”

model no: 741026

Whilst another military vehicle in "ISAF" uniform, is the ATF Dingo.

Model no: 741040

herpa[®]
